## X155R Rear-Discharge Mower

Looking for a robust and efficient ride-on mower that delivers a professional cut? The John Deere X155R meets these requirements. It has all the best qualities of the 100 Series machines like a fully welded frame, cast-iron front axle and fully enclosed UV-resistant bonnet, but in a specialist collection configuration.

The X155R has a 300 litre grass collector to help you get the job done faster, plus our 42-inch Edge™ Xtra Mulch Cutting System specifically designed for collecting, and a 12.5 kW (16.5-hp\*) V-Twin, air cooled, OHV engine that's powerful and fuel efficient. For a perfect looking lawn—free of grass clippings—choose the X155R.
